"Important instructions regarding password" For All Students

To prevent any **cyber-attack**, a strict password policy is to be followed which include the following:

1. The password must be at least eight characters long and can have a maximum length of sixteen characters.
2. The password must have at least one lower, one upper, one special (!#$%^&*) and one number character(s).
3. Student must change the default password in first time login.
4. New password cannot be the same as your old password.
5. The password will be valid for **90 days**.

It is notified that existing passwords of all the students who registered on Hon. Chief Minister Scholarship Scheme(CMSS) portal will get expired by afternoon of 14th August, 2024.
